Litigation Strategy Discussion Relating to the Adjudication of Lima's Municipal Water Rights

The Town Council will discuss, via telephone conference, litigation strategy with its attorney, G. Steven Brown of Helena, Montana. The litigation strategy discussion relates to the adjudication of Lima's municipal water rights by the Montana Water Court in the pending Water Court cases 41A-224 and 41A-118 and the possible resolution of the objections, issue remarks, and other contested matters in both Water Court cases. Lima's attorney has recommended that the litigation strategy discussion be closed to the public pursuant to Section 2-3-203 (4) (a), MCA, because an open meeting would have a detrimental effect on Lima's litigating position in the pending Water Court cases.
